Old Business: Area of Hope's Valentine's Dance was a great success!

New Business:

1. Co-chair has looked into logistics of having an area webpage on the region's web server which we can update ourselves, and has volunteered to do the work necessary. He wants to have flyers for all area and group events available, but will need a way to create PDF files so that anyone can access these. Some discussion about logistics, will revisit at next month's meeting.

2. UMSO phone number and hours are not correct on the SSFA meeting list. Alicia, please note ☺.

Motions: Motion made to approve February Minutes, motion passed. Motion to close at 8:15 p.m.
